Texas Main Street Program: Design Request Form

The Texas Main Street Program provides design assistance to official Main Street cities. These services are offered to individual building and business owners within the designated Main Street District at no charge.

How do I apply for Design Assistance?

Fill out the form below and check off the box(es) listed under **Services Available** as appropriate. Give or email this completed form along with current and any available historic photographs to your Main Street Manager. If necessary, your Main Street Manager will contact you to schedule an appointment for your project needs. *Attach additional sheets if necessary.*
